

Harmony Business Association Membership Application

Dear Prospective HBA Member,

The purpose of the Harmony Business Association is to promote commerce and cooperation in Harmony and the surrounding area through the efforts of its members. Our members recognize Harmony's valuable economic resources for the growth of commerce in the community.

Meetings are held monthly on the first Thursday of the month, 6:30 PM at Rodgers Brothers, Inc. on Mercer Street. Minutes are distributed to members in order that those not in attendance will be informed. Events are well received and include the Spring Fest (June), Sleepy Hollow (October), working collaboratively on the Annual Wine Walk and Jazz Fest, as well as participation in Historic Harmony's German Christmas Market (November), Silvester (December) and the Polar Plunge (New Year's Day).

Benefits of membership:

-Inclusion in the Harmony Business Association brochure. This includes a business listing and location on the Harmony map. (Dues **must** be paid by March 1 in order to be included in this annual publication.)

-Listing on Harmony Business Association website

-Event Insurance

-Participation in monthly "Fleatique" flea market in the square, Spring-Fall

-Opportunity to work cooperatively with other Harmony Borough, Parks & Recreation and community organizations

-Harmony Business Association is a member of Butler County Tourism and HBA members receive group representation in Butler County Tourism & Convention Bureau's publications and events

Together we can work to achieve so much more!
